

FILMS ON DEMAND

DIGITAL EDUCATIONAL VIDEO

Introducing Streaming Video Collections: Thousands of Programs, Unlimited Access

5,500 programs. 55,000 clips. 3,300 hours.
Video on demand from many of the world's top producers—now in comprehensive collections.

The quality, simplicity, and flexibility of **Films On Demand** have got librarians talking. Thanks to seamless integration with Web-based learning management systems, online library catalog systems, and distance learning courseware, videos through **Films On Demand** are available 24/7—perfect for both in-class use and off-hour viewing from the library or at home.

And now, in response to customer demand, we're adding a new option for media librarians and administrators: *subscriptions to comprehensive streaming video collections.*

Collections include:

- *Humanities & Social Sciences* • *Business & Economics*
- *Science* • *Health* • *Technical Education* • *Careers & Job Search*
- *Family & Consumer Sciences* • *Guidance & Counseling*
